Israel Alert: IDF announces ongoing military exercise nationwide as of morning hours of September 17; allot for disruptions

Current Situation:

- The Israel Defense Forces (IDF) announced that a military exercise is ongoing at multiple locations across the country as of the morning hours (local time) on September 17.
- The exercise is a joint surprise inspection by the Technology and Logistics Division and Home Front Command to assess readiness and technological and logistical preparedness for operational scenarios.
- The IDF stated that the exercise will involve increased movement of security forces, military medical forces, and vehicles across the country and will continue through the afternoon hours.
- The IDF stated that the exercise is a planned military training program and is not indicative of any security incident.
