Israel Tactical: Flight operations to be suspended at Ramon Airport between 08:00-11:00 on April 1; reconfirm travel itineraries

Current Situation:

- Reports indicate that flight operations will be suspended at the Ramon Airport near southern Israel's Eilat between 08:00-11:00 (local time) on April 1 due to Israel Defense Forces (IDF) activity in the area.
- Flights scheduled during this time will reportedly be canceled.
- Passengers are reportedly advised to check with airlines for updated flight information.

Recommendations:

Those intending to travel through the Ramon Airport during the morning hours on April 1 are advised to reconfirm travel itineraries and allot for disruptions due to the slated flight suspension.
