Morocco Tactical: Marrakech Marathon slated during morning hours of January 24-25; allot for disruptions

Current Situation:

- The Marrakech International Marathon is slated to take place in **Marrakech** between January 24-25.
- A five-kilometer “race for all” will take place on January 24, at 09:00 (local time), beginning opposite the **Koutoubia Mosque**.
- The official marathon and half marathon will take place on January 25 starting at 07:45, with **Avenue Prince Moulay Rachid** as the starting point.
- More than 15,000 runners are expected to participate in the marathons. Bicycles and all other wheeled or motorized transport will be prohibited on the marathon route.
- Additional information about the marathon route can be accessed [here](#).

Recommendations:

Those operating or residing in Marrakech on January 24-25 are advised to allot for travel

disruptions in the vicinity of Avenue Prince Moulay Rachid and other streets along the marathon route due to associated closures.
