Israel Tactical: Northbound lanes of Highway 6 closed during morning hours of September 18 due to vehicle collision; allot for disruptions

Current Situation:

- Emerging reports indicate that the northbound lanes of Highway 6 have been blocked in the vicinity of southern Israel's Kfar Menachem and the Kiryat Malachi-Yoav Railway Station during the morning hours (local time) of September 18.
- The closure reportedly follows a vehicular collision in the area.

Recommendations:

Those operating or transiting through Israel's Highway 6 on September 18 should allot for disruptions in the vicinity of Kfar Menachem and seek alternate routes due to the reported road closure.
